## ABOUT COMPANY

YUE JEI INDUSTRIAL CO., LTD was founded in 1978 in Taiwan by Mr. Chen Her Nan. We are a professional manufacturer specializing in various of wrenches. Our products line includes combination wrenches, double open end wrenches, double ring wrenches, flare nut wrenches, ratchet combination wrenches, and flexible socket wrenches. All products meet ANSI or DIN standard.

YUE JEI has ISO 9001 certificate. We have an automated machine production system which allows us to maintain our quality control for each wrench. We have advanced testing machines, such as torque testing computer system, rock well type hardness tester, gauges and salt spray testers to ensure the quality.

We have been doing OEM for well-known brands in overseas for quite many years and gained very well reputation in wrench market. We are very proud that our output has increased steadily yearly due to our customer's satisfaction of our quality, reasonable price, and timely deliveries.
